To shareholders and, for information only, to participants in The Fenner PLC 1996 Executive Share Option Scheme.

Dear Shareholder,

Annual General Meeting

The Annual General Meeting ("AGM") of the Company is to be held at 10.30 a.m. on Wednesday, 15 January 2014 at Ashurst LLP, Broadwalk House, 5 Appold Street, London, EC2A 2HA. A short presentation will be given by the Directors followed by the opportunity to ask questions before the commencement of the formal business of the AGM. The Notice of the Meeting is on pages 4 to 6.

Directors

Each of the Directors will retire and, being eligible, offer themselves for re-election. Separate resolutions will be proposed at the AGM for each of these re-elections.

The performance of each of the Directors continues to be effective and they continue to demonstrate commitment to their roles.

The Board are satisfied that each non-executive director remains independent in character and judgement and that there are no relationships or circumstances which are likely to affect, or could appear to affect, the director's judgement.

Biographical details of all Directors are contained on pages 27 and 28 of the Annual Report.

Auditors

A motion will be proposed to re-appoint PricewaterhouseCoopers LLP in line with the resolution numbered 10 in the Notice of the AGM. Resolution 11 in the Notice of the AGM authorises the Directors, in accordance with standard practice, to determine the auditors' remuneration.

Special Business

As you will see from the Notice of AGM, in addition to the ordinary business contained in resolutions 1 to 11, there are items of special business contained in resolutions 12 to 15 and these are explained and summarised below.

Resolutions 1 to 12 are ordinary resolutions which will be passed if more than 50% of the votes cast are in favour of the resolutions. Resolutions 13, 14 and 15 are special resolutions which will be passed if at least 75% of the votes cast are in favour of the resolutions.

Resolution 12 - Authority to allot shares

Authority was granted to the Directors at the AGM held on 16 January 2013 to allot ordinary shares without the prior consent of the shareholders up to a maximum nominal amount of £32,307,416 (of which ordinary shares up to a nominal amount of £16,153,708 can only be allotted in connection with a rights issue) for a period expiring at the conclusion of the AGM held in 2014 or, if earlier 28 February 2014. The directors consider it appropriate to renew this authority at the forthcoming AGM.

In accordance with the latest institutional guidelines issued by the Association of British Insurers ("ABI"), the proposed authority will allow the Directors to allot ordinary shares equal to an amount of up to one third of the Company's existing issued share capital as at 25 November 2013 (being the latest practicable date before the printing of this document) plus, in the case of a fully pre-emptive rights issue only, a further amount of up to an additional one third of the Company's existing share capital as at 25 November 2013 (being the latest practicable date before the printing of this document).

If approved, the nominal amount of securities to which this authority relates will represent approximately two thirds of the issued share capital of the Company as at 25 November 2013 (being the latest practicable date before the printing of this document) (£32,330,389 which equates to 129,321,557 ordinary shares of 25p each in the capital of the Company as at that date). Of this amount, securities up to a nominal amount of £16,165,195 (which equates to 64,660,778 ordinary shares of 25p each in the capital of the Company, which is one third of the issued share capital of the Company as at that date) can only be allotted in connection with a rights issue.

As at 25 November 2013 (being the latest practicable date before the printing of this document), no shares in the Company were held as treasury shares.

Where the Directors do use the additional authority to allot ordinary shares equal to an amount of up to one third of the Company's existing issued share capital in the case of a fully pre-emptive rights issue, the Directors, in accordance with the Articles and ABI's recommendation would stand for re-election at the next AGM following the use of the authority.

The proposed new authority will last until the end of the next AGM of the Company or 28 February 2015 if earlier. This Resolution complies with guidelines issued by investor bodies and, in accordance with normal practice, the Directors intend to seek annual renewal of this authority. The Directors have no present intention of exercising this authority except in connection with the issue of ordinary shares in respect of the Company's share option plans.

Resolution 13 - Authority to allot shares for cash and disapplication of pre-emption rights

If equity securities are to be allotted for cash and treasury shares are to be sold for cash, the Companies Act 2006 requires that those equity securities and treasury shares are offered first to existing shareholders on a pro rata basis, i.e. in proportion to the number of equity securities they each hold at that time. Equity securities include the Company's ordinary shares.

There may be circumstances, however, when it is in the interests of the Company to be able to allot equity securities for cash and to sell treasury shares for cash without first offering them to existing shareholders.

Resolution 13 gives the Directors power to allot equity securities for cash (pursuant to the authority obtained in resolution 12) and to sell treasury shares for cash as if the pre-emption provisions of section 561(1) of the Companies Act 2006 do not apply. Other than in connection with a rights issue or other similar issue, the power contained in this resolution will be limited to an aggregate nominal amount of £2,424,779. This represents 9,699,117 ordinary shares of 25p each in the capital of the Company, which is approximately 5% of the Company's issued share capital as at 25 November 2013 (being the latest practicable date before the printing of this document).

This power will last until the end of the next AGM of the Company or 28 February 2015 if earlier. This resolution complies with guidelines issued by investor bodies and, in accordance with normal practice, the Directors will seek annual renewal of this power.

The Company intends to comply with the principle on disapplying pre-emption rights set out by the Pre-emption Group that (in the absence of suitable advance consultation and explanation or the matter having been specifically highlighted at the time at which the request for disapplication was made) a company should not issue more than 7.5% of its ordinary share capital for cash other than to existing shareholders in any rolling three year period.

Resolution 14 - Authority to buy own ordinary shares

Resolution 14 authorises the Company to buy its own ordinary shares in the market.

This authority allows the Company to purchase a maximum of 19,398,234 ordinary shares (which is approximately 10% of the Company's issued share capital as at 25 November 2013).

The price to be paid for any shares must not be less than 25p, being the nominal value of a share, and must not exceed 105 per cent of the average middle market quotations for the ordinary shares of the Company as derived from the London Stock Exchange Daily Official List for the 5 business days immediately preceding the day on which the ordinary shares are contracted to be purchased.

This authority will last until the end of the next AGM of the Company or 28 February 2015 if earlier.

As at 25 November 2013 (the latest practicable date before the printing of this document) options over 1,207,476 ordinary shares in the Company were outstanding under the Company's employee share schemes, representing 0.62% of the Company's issued share capital (excluding treasury shares) at that date. If the existing authority to purchase shares granted at the Company's last AGM and the proposed authority now being sought were to be exercised in full and if the shares purchased were cancelled, such options would represent 0.78% of the Company's issued share capital (excluding treasury shares) at 25 November 2013. As at 25 November 2013 the Company did not hold any treasury shares.

Pursuant to the Companies Act 2006, the Company can hold shares which have been repurchased as treasury shares and either resell them for cash, cancel them (either immediately or at a point in the future) or use them for the purposes of its employee share schemes. The Directors believe that it is desirable for the Company to have this choice and therefore currently envisage holding any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future, and so provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

Shares will only be repurchased if the Directors consider such purchases to be in the best interests of shareholders generally and that they can be expected to result in an increase in earnings per share. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury).

If any shares repurchased by the Company are held in treasury and used for the purposes of its employee share schemes, so long as required under the guidelines of the ABI Investment Committee, the Company will count those shares towards the limits on the number of new shares which may be issued under such schemes.

This Resolution follows investor protection guidelines that are more restrictive than the Companies Act 2006 and applicable regulation and, in accordance with normal practice, the Directors will seek annual renewal of this authority. There is no current intention to exercise this authority.

Resolution 15 - Notice of General Meetings

Under the Companies Act 2006 the notice period required for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. (Annual general meetings will continue to be held on at least 21 clear days' notice).

In order to call general meetings (other than annual general meetings) on 14 clear days' notice, Resolution 15 seeks such approval. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility offered by the shorter notice period is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole and the matter to be considered is time sensitive. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. This requirement will be satisfied if the Company offers a facility allowing shareholders to appoint a proxy by means of a website.

Action to be taken in relation to the Annual General Meeting

Whether or not you are able to attend the AGM, you are requested to complete the enclosed form of proxy which should be returned to the Registrars of the Company as soon as possible and, in any event, so as to be received by 10.30 a.m. on 13 January 2014.

Completion of a form of proxy will not preclude you from attending and voting in person at the AGM.

You may also vote on-line at www.capitashareportal.com. If you have not previously registered to use the portal, you will require your investor code which can be found on your proxy form.

The Directors consider that all the resolutions, which are to be proposed at the AGM, are in the best interests of the Company and its shareholders as a whole and they unanimously recommend shareholders to vote in favour of them, as the Directors so intend in respect of their own beneficial shareholdings.

Yours sincerely,

MARK ABRAHAMS

Chairman

Notes

- (1) Voting will be conducted on a show of hands at the Annual General Meeting ("AGM") unless a poll is duly demanded. On a show of hands every shareholder who is present in person has one vote. Also, every proxy present who has been duly appointed by one or more shareholders entitled to vote on the resolution has one vote.

A proxy has one vote for and one vote against the resolution if the proxy has been duly appointed by more than one shareholder entitled to vote on the resolution and the proxy has been instructed by one or more of those shareholders to vote for the resolution and by one or more other of those shareholders to vote against it or the proxy has been instructed by one or more of those shareholders to vote in one way and is given discretion as to how to vote by one or more other of those shareholders (and wishes to use that discretion to vote in the other way).

In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. Seniority is determined by the order in which the names of the shareholders stand in the register of members of the Company.

On a poll vote every shareholder who is present in person or by proxy has one vote for every share of which he is the holder.

A form of proxy is enclosed for use by shareholders. Appointment of a proxy does not preclude a shareholder from attending the AGM and voting in person.

- (2) A member entitled to attend and vote at the AGM may appoint one or more proxies (who need not be a member of the Company) to attend and to speak and to vote on his or her behalf whether by show of hands or on a poll. A member can appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by him. In order to be valid an appointment of proxy (together with any authority under which it is executed or a copy of the authority certified notari ally) must be returned by one of the following methods:

- in hard copy form by post, by courier or by hand to the Company's registrars, Capita Asset Services, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU;
- via www.capitashareportal.com; or
- in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below

and in each case must be received by the Company no later than 10.30 a.m. on 13 January 2014.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual available via www.euroclear.com/CREST. The message regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA 10) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- (3) The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communication from the Company in accordance with Section 146 of the Companies Act 2006 ("nominated persons"). Nominated persons may have a right under an agreement with the registered shareholder who holds shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
- (4) Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- (5) Under section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous Meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
- (6) Only those shareholders entered on the register of members of the Company at 6.00 p.m. on 13 January 2014 (or, in the event that the AGM is adjourned, in the register of members 48 hours before the time of any adjourned AGM excluding non-working days) will be entitled to attend or vote at such Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the AGM or adjourned AGM.
- (7) As at 25 November 2013 (the latest practicable date prior to the publication of this Notice) the Company's issued share capital consists of 193,982,335 Ordinary Shares, carrying one vote each. Therefore, the total voting rights in the Company as at 25 November 2013 are 193,982,335.
- (8) Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
- (9) The contents of this notice of AGM, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM, the total voting rights that members are entitled to exercise at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website: www.fenner.com.
- (10) Copies of the following documents are available for inspection at the registered office of the Company during normal business hours Monday to Friday (public holidays excepted) until the conclusion of the AGM:
- (a) the Service Contracts of the Executive Directors and the Letters of Appointment of the Non-Executive Directors;
- The documents referred to above will also be available for inspection during the AGM and for at least fifteen minutes before it begins.
- (11) Subject to approval at the AGM, the final dividend recommended by the Directors will be paid on 7 March 2014 to those ordinary shareholders entitled to receive the dividend and registered in the books of the Company on 31 January 2014.
- (12) Please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that the members subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus will not be accepted.
- (13) You may not use any electronic address provided either in this Notice of AGM or any related documents (including the chairman's letter and form of proxy) to communicate with the Company for any purposes other than those expressly stated.
